FEEL

Do

- Calm, lots of space
- Soft time-of-day gradients
- Real app screens, unaltered
- Green only as a signal

Don’t

- Neon or saturated colors
- Heavy shadows, glow, 3D
- Stock photos, mosques as clip-art
- Busy ornament patterns

PRODUCT

The story: made by a revert who kept missing prayers. No ads, no subscription, no tracking. Half of the proceeds go to Islamic Relief projects.

Raw screenshots in EN / DE / AR, incl. Home and Lock Screen widgets and dark mode, are supplied separately.
